corporate challenge waiver form

Welcome aboard!

You've managed to put together a team of skiers for the corporate challenge. Now we need you to read through the attached copy of your details and make sure we've got it all right. And also to sign this form after reading and understanding the Acknowledgement of Risk.

Acknowledgment of Risk

Each Team member must read the following: The Cross Country Ski Association of Manitoba and its sponsors, volunteers and staff will take all reasonable precautions to provide a safe race day event. However, each participant should be aware that cross country skiing, like any sport, and in particular any winter sport, has an inherent risk of injury for which all participants should be aware and for which the event organizers cannot be responsible. My signature on the registration form means that:

I am aware that there are risks associated with participating in any sporting event and in particular a winter ski event and I hereby release from liability the Cross Country Ski Association of Manitoba, its volunteers, employees and sponsors for any injuries I might cause or incur in participating in either the planned pre-event lessons and/or the Get Off Your Butt event.

We, the undersigned, have read and agree to the Acknowledgement of Risk above.
